Vaccinations for Bangs has been practiced all through the years of this herd. T.B. and Bangs tests will be furnished.

The Wipf Bros. family has decided to retire and are dispersing their registered Shorthorn cattle including some of their 1969 calves. It has been a pleasure to work with the red, white and roans. We were looking forward for a dispersion someday and bought only bulls with good pedigrees, some by winners of Grand Champions with imported blood lines.

All bulls and cows will be transferred by Andrew J. Wipf and 1969 calves will be furnished with application for registration and transfer.

It is indeed a great regret that we are selling this herd of Shorthorns, when we have them bred up to this good breeding and are looking as good as they have at any time.

We started this herd with one female, Rockwood Dorothy 7th, bred by C. F. Curtiss, Ames, Iowa. Purchased as a heifer in 1942 and all these cattle are descendents of this cow. With the use of such sires as Brawith Boys Prince by Brawith Boy of Sunset, HHF Sultan Bounce by Sunset Bounce, HHF Raider Bounce by Sunset Bounce 25th, HHF Brilliant Bounce by Sunset Bounce 25th, Tempel Maestro by Kinellar Refiner, Tempel Paramount by Kinellar Refiner, Fashion Forms by Leveldale Fashion, and the new bull Tempel Convoy, by Killearn Envoy 5th.

We have such breeding as Brownsdale Grand, Brawith Boy Cruggeltan Bounce, Calrossie Constellation, Calrossie Triumphant, Calrossie Diamond and Leveldale Basis, HHF Raider Bounce bred by B. Hollis Hanson, Connersville, Ind. was an asset to our herd. With his daughters bred to Tempel farm bulls was a very good cross. Most of the cattle are carrying this pedigree. All females are dehorned.

In the spring of 1953, I had a letter from Bert Johnson, Herdsman for Hanson Heights farm that they had a dark red bull 1 year old sired by Sunset Bounce 25th and out of the imported cow Orange Blossom 13th and priced him at \$1,000.00. In May of that year I made a trip to Hanson Heights farm getting to Connersville, Indiana about 7 o'clock in the evening. I could not wait till morning to see the herd so I called the owner B. Hollis Hanson by phone and saw some of his cattle that night.

I saw the 1952 National Western Grand Champion Sunset Bounce 25th. And also his white yearling son HHF Immaculate Bounce which he was fitting for his fall sale. And some of his cow herd.

Next morning he showed me Sunset Bounce 25th and his dark red yearling son HHF Raider Bounce out in a nice grassy lot. Also his dam. I knew that I wanted one of these sons of Sunset Bounce 25th.

Mr. and Mrs. B. Hollis Hanson delivered Raider Bounce some time in July. I know to this day that he was a good breeding bull and still shows in our cattle today.

He bred so well that in the fall of 1957 we bought another son of Sunset Bounce 25th. He was a dark roan "Brilliant Bounce" out of the imported Kair Lavender Lady cow. Also the dam of Sunset Bounce 23rd.

In 1963, we bought the 2 bulls, Sons of Kinellar Refiner one out of the Bapton Craftsman cow and the other out of a Leveldale Basis cow.

All these cows, heifers and calves we are selling carry those bloodlines.

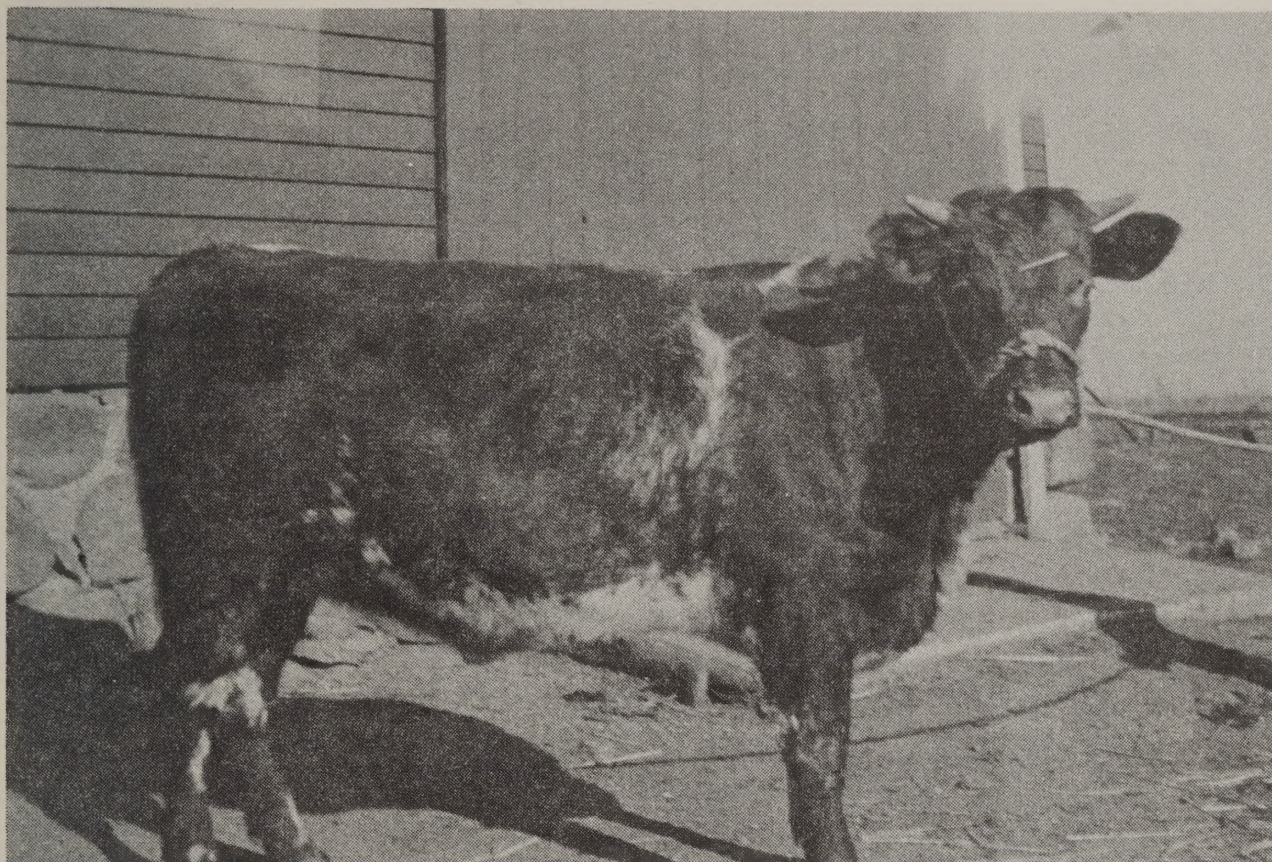

Study these pedigrees.

—Andrew J. Wipf
